#### MRS. JOHN WARD PASSES AWAY.

Lived in This Community All Her Life  
Aged About 60 Years.

Mrs. John A. Ward died at her home here Sunday morning, June 18, about 10 o'clock, after an illness of more than three years. For short periods during that time Mrs. Ward seemed to improve and was able to get about her house a little, but the complication of ailments that troubled her finally proved fatal.

The funeral was held at the M.E. Church, Tuesday at 10 a.m. Rev. E. H. Sapp conducting the service. Burial was in the Brethren Cemetery.

Mrs. Ward lived all her life in this community having been born on the farm now owned by her son Charles.

Before illness took her strength she was very active in church and fraternal society work, being a member of the Rebekahs as well the M. E. Church. She had very many friends in the community and she will be very greatly missed.

She was a home-loving woman, a devoted wife and loving mother, and a neighbor whose kind offices were never withheld from the needy.

Her passing brings the deepest sorrow to her husband, John A. Ward, her sons and daughter Charles and Bert Ward and Mrs. Beulah Teeter, her sister, Mrs. J. R. Bowers, and many friends. Mrs. Ward left five grandchildren.

Susan D. Rankin was born near Jasper, Mo., October 29, 1861, died June 18, 1922, aged 60 years, 7 months, and 19 days. She was married to John A. Ward March 11, 1876. To this union were born four children: Charles S., Rachel S., Beulah and John Berton. Rachel died at the tender age of nine years. Deceased was converted and united with the M. E. Church in Jasper about 20 years ago.

#### A SUNDAY SCHOOL AID.

Analysis of Current Lesson Appears Regularly in The News.

The International Sunday School Lessons which are appearing regularly in The News are prepared by Rev. P. B. Fitzwater, D. D., teacher of English Bible in Moody Bible Institute, Chicago, and are read, studied and appreciated by thousands of Bible students in all parts of the country, the lessons being syndicated to hundreds of papers.

These lessons are prepared from a non-sectarian point of view, and may be used by attendants of all Sunday Schools which use the uniform international texts.

The lessons are published in advance of the date of use, therefore should be preserved when the paper comes.

The lessons have been a big help to superintendents when the regular supply of leaflets has failed to arrive on time, and are especially appreciated by those who for any reason are unable to attend regularly.

#### THRESHING COMMENCES.

Threshing started in this community Saturday at Walker Hubbard's north of town. Mr. Hubbard's wheat graded 59 and some as high as 61, the acre yield being 15 bushels.

Some wheat has been brought to the elevators, however, that graded as low as 56, most of it, however, being 58 and 59.

Elevators are paying 90 cents for the new grain.

#### CHARLEY WARD LOSES BARN.

Burned Monday Evening at 9 o'clock  
---Insured for \$600.

C. S. Ward, who lives 1 1/2 miles northwest of Jasper lost his barn and contents by fire Monday evening a little while after dark. The building contained about two tons of hay, 50 to 75 bushels of corn, three sets of good harness, a saddle and other articles. The barn was insured for \$600.

Mr. Ward and his family were in town on account of the death of his mother, Mrs. John Ward. They had been home earlier in the evening and done their chores and have no idea how the fire started.

#### EDITORIAL TRIBULATIONS.

The News has quite a material sum of money due on subscriptions this summer. Occasional statements have been sent to delinquents, but response to our appeals has been quite slow. We have taken the trying time of the past two years into consideration and have been as patient as possible and have not been disposed to crowd anyone who was unable to pay. We hope in the next few days to hear from many. We can sympathize with the writer of the following when we asked him to pay up, but even this don't help us pay our bills.

"Dere editor---I got your letter about what I owe you. Now be pachtun. I aint forget you. Please wate. When sum fools pay me I pay you. If this wuz judgement day and you wuz no more prepared to meat your Maker as I am to meat your account you sure would have to go to hel. Trusting you will do this, I am."

#### THE FIRST FIFTY YEARS.

Private Ulysses Roosevelt Jones was always longing for Alabama but the case goods on the Brest dock after the Armistice continued to pile up and Ulysses's life was plumb miserable.

"Boss," he said to his big black sergeant, boss, Ah's mighty sick o' dis yere liftin' and unliftin'. It's wuss dan the wah. It's de wah all over ag'in an Ah only 'listed fo' de duration."

"Lissen, boy," said the sergeant, giving one white-eyed glare at Ulysses. "Heah's whah Ah introduce yo' peanut brain to knowledge. De war am over sho' 'nough, but de duration yo' is in fo' now ain't sea'cely commenced."---Ex.

When the iron is red hot the blacksmith puts in his best licks. Conditions are right now to hit your best. We have plenty of Binder Twine and all kinds of Machine Oils, Fly Nets, Cow Ease, Tobacco, Cigars, Hercules Buggies and Lowe Bros. famous brand of Mixed Paints. This Paint weighs 18 1/2 pounds to the gallon and covers better than any paint we ever saw. John Harris bought a bill of us this week, and also Mayor James E. Hull. Ask either of them about its covering capacity. Claude Boyer and Dave Holmes, the painters, each gave us a testimonial this week that this is the best paint to cover they ever tried.
